

New CJIS Security Policy Resource Center web site

Greetings!!

The CJIS ISO would like to announce that the CJIS Security Policy and several related documents are now publicly available at [FBI.gov](http://www.fbi.gov).

Here's the direct link:

<http://www.fbi.gov/about-us/cjis/cjis-security-policy/cjis-security-policy/view>

Otherwise, you could go to www.fbi.gov and hover over "About Us" then click on "Criminal Justice Information Services". Look to the right under "Other Programs" and click on "Security Policy Resource Center".

There are several things available on the new site:

CJIS Security Policy
Policy FAQs
Policy Use Cases
Requirements & Transition Document
FAQ / Question Submission Form

Please take time to check out the new site and let us know what you think. We're really hoping to get feedback (positive and negative) on how it looks, how it functions, and how it will help you in your ISO role. You can either submit your feedback via the "FAQ / Question Submission form" or directly to iso@leo.gov

Thank you and we sincerely hope this new site assists you in your duties!
